PETITION FOR WITHDRAWAL OF HOLDING OF ABANDONMENT

Dear Sir:

On November 29, 2001, the undersigned received a Notification of Abandonment relating to the above-referenced application. The reason cited in the NOTIFICATION OF ABANDONMENT was that the Applicant failed to respond to the OFFICE ACTION mailed April 27, 2001. A copy of the NOTIFICATION OF ABANDONMENT is attached hereto as Exhibit A.

The OFFICE ACTION was never received. The undersigned respectfully requests that the holding of abandonment be withdrawn and that this application be submitted for examination on the merits. The facts and evidence supporting this Petition are set forth below:

1. Attached hereto as Exhibit B is a copy of the file jacket for the instant application, which would normally indicate when the Office Action was received by the U.S. Patent Office. There is no such indication found on the file wrapper.

2. Attached as Exhibit C is a copy of pages 9-12 printed on May 15, 2001 of the electronic docket of the undersigned which is maintained by the law firm of Rader Fishman & Grauer and lies exclusively within its control to administer. As seen from page 12, if Rader, Fishman & Grauer would have received the Office Action within a few days after it was sent (April 27, 2001), it would have appeared on the May 15, 2001 printout of the undersigned's docket in the July 27, 2001 slot (three months to respond). Although the enclosed copies of page 12 of the May 15, 2001 docket cover the critical time period, no Office Action appears in the time frame which it would have appeared if it was received by Rader, Fishman & Grauer.

3. Attached as Exhibit D is a copy of the undersigned's electronic docket as printed on June 1, 2001. Per chance, if the Office Action arrived after the May 15, 2001 printing of the docket, it should have been received by the law firm of Rader Fishman & Grauer before the June 1, 2001 printing of the docket. Pages 6-10 are included herewith from the June 1, 2001 printing of the undersigned's docket and, during the critical time frames, as discussed above, no docket entry is shown for a Office Action for application serial number 09/194,631.

In view of the above-referenced arguments, and enclosed evidence, the undersigned respectfully requests that the holding of abandonment be withdrawn and that this application be submitted for examination on the merits.
